

COMMENCEMENT

UF

UF | UNIVERSITY *of*
FLORIDA

Commencement
SPRING 2022

Greetings from the President

On behalf of the University of Florida, our faculty and our entire university community, I would like to extend my deepest congratulations to you, the graduates of the historic year of 2022.

Today's ceremony celebrates your remarkable accomplishment in earning a degree from a Top 5 public research university. That you achieved this distinction while overcoming the hardships of the pandemic is all the more impressive. I applaud you for the education you have received, for honing your creative, scientific, or analytical skills and for your resilience and persistence as students. I join you in thanking your professors, advisors and family and friends for their contributions to your success.

Today is a day for celebration, but also for reflection on your future. I am confident that the knowledge and experience you have gained will serve you well regardless of your career or how you choose to invest your life.

The university has benefited from your active engagement and contributions to your classes, programs of study and your peers, and we are grateful to you. You are a special class, and though we know your experience has been different, we hope that you will look back on it with fondness and appreciation, and that you will remain connected to UF as active members of our distinguished alumni.

Best wishes, and always remember, It is Great to be a Florida Gator!

W. Kent Fuchs

University of Florida President

Dr. W. Kent Fuchs

Dr. Kent Fuchs became the 12th President of the University of Florida in January 2015. Building on many years of excellence and focused leadership, the university has since reached its goal of joining the nation's Top 5 public research universities.

UF continues to advance through the addition of 600 new faculty positions, the construction of advanced and beautiful university facilities, a university wide artificial intelligence initiative and a fundraising campaign that is expected to reach \$4 billion by the end of 2022, a billion over its original goal.

Previous to the UF presidency, Dr. Fuchs was provost of Cornell University. He has served in academic leadership positions and as a faculty member of electrical and computer engineering at Cornell, Purdue and the University of Illinois.

He is a fellow of the American Academy of Arts and Sciences, the American Association for the Advancement of Science, the Institution of Electrical and Electronics Engineers and the Association for Computing Machinery and has received numerous awards for teaching and research.

President Fuchs earned his doctorate in electrical and computer engineering from the University of Illinois, and a Master of Divinity from Trinity Evangelical Divinity School. He also holds a Bachelor of Science in Engineering from Duke University.

UNIVERSITY WIDE COMMENCEMENT AGENDA

FRIDAY, APRIL 29, 7:00 P.M.

Presiding	Kent Fuchs <i>President</i>
Processional	University of Florida Wind Symphony University of Florida Women's Chorale
National Anthem	University of Florida Symphonic Band University of Florida Women's Chorale
Welcome	Kent Fuchs
Introductions	Joseph Glover <i>Provost and Senior Vice President for Academic Affairs</i>
Armed Forces Commissions and Recognitions	Joseph Glover
Acknowledgement of Distinguished Awards	
Honorary Degree	James Hines, <i>College of Agricultural and Life Sciences</i>
Distinguished Alumni	Mitchell Habib, <i>College of Journalism and Communications</i> Ronald Magill, <i>College of Agricultural and Life Sciences</i> Ira Robinson, <i>College of Pharmacy</i> Rodney Rogers, <i>Herbert Wertheim College of Engineering</i> Tim Tebow, <i>College of Agricultural and Life Sciences</i> Kenneth Treister, <i>University Libraries</i>
Alumni Association Remarks	Mark Criser <i>President, UF Alumni Association, Inc.</i>
Commencement Address	Tim Tebow <i>Athlete, Author, Philanthropist, Entrepreneur, Sports Commentator</i>
Musical Interlude	University of Florida Wind Symphony University of Florida Women's Chorale
Presenting Candidates for Degrees	Joseph Glover Deans of the Colleges
Conferring of Degrees	Daniel O'Keefe <i>Member, UF Board of Trustees</i>
Closing Remarks	Kent Fuchs
Alma Mater	University of Florida Wind Symphony University of Florida Women's Chorale
Recessional	"I Won't Back Down" [®] 1989; Written by Tom Petty and Jeff Lynne. Performed by Tom Petty Album: Full Moon Fever

Commencement Speaker and Distinguished Alumnus

Tim Tebow

Athlete, Author, Philanthropist, Entrepreneur, Sports Commentator

Tim Tebow is a two-time national champion, Heisman Trophy winner, first-round NFL draft pick, and a former professional baseball player. The four-time New York Times' best-selling author, speaker, and football analyst is most passionate about his work with the Tim Tebow Foundation (TTF), whose mission is to bring faith, hope and love to those needing a brighter day in their darkest hour of need. The Tim Tebow Foundation is currently fighting for people who can't fight for themselves in more than 70 countries and counting through four primary ministry focuses with 16 initiatives. Tim is married to Demi-Leigh Tebow, a speaker, influencer, entrepreneur, and Miss Universe 2017. Tim and Demi live in Jacksonville, Fla., with their three dogs, Chunk, Kobe, and Paris.

Distinguished Alumnus

Mitchell Habib

CEO of FCM, LLC

Mitchell Habib is a seasoned senior executive and the chief executive officer of FCM, LLC. After spending three decades driving profitable growth for global enterprises like GE, Citigroup and Nielsen, he founded a unique full-service consulting firm to deliver the same results for businesses backed by private equity.

FCM supports the world's leading private equity investors and their portfolio companies in acquisitions, carve-outs and organizational optimization. The firm's distinct approach employs proven senior leaders who bring their C-level experience to portfolio companies, taking accountability for business outcomes. Since 2014, FCM has created more than \$16B of enterprise value for over \$25B of deals, including the largest private equity-backed carve-out of the decade.

Prior to launching FCM, Habib served as chief operating officer for Nielsen, where he headed a global organization of 40,000 people in more than 100 countries. He worked with industry-leading advertising, media and consumer-packaged goods companies to deliver innovative technology solutions that provided unparalleled consumer insights. Habib also led Nielsen's organizational transformation, taking advantage of the company's scale to deliver improved quality for customers, innovation for the marketplace and more than \$2 billion in cash savings that yielded a three-times' return on the investment for its private equity investors.

During his career at Citigroup, Habib was chief information officer (CIO) for the North America

Consumer and U.S. Credit Card divisions, where he delivered significant cost savings by capitalizing on regional synergies, simplifying technology and reengineering processes. Before that, he served in global CIO roles for General Electric's two largest Capital divisions and two of its biggest Industrial businesses.

Habib holds a Master of Arts degree in public administration and a Bachelor of Science in Advertising from the University of Florida, where he is recognized in the College of Journalism and Communications' Hall of Fame. He has earned certificates from General Electric's Quality Leader Program, Harvard University's Private/Public Responsibility Program, and the Leadership at the Peak program at the Center for Creative Leadership. He serves on the Board of Directors for Mission2Move, a nonprofit organization that provides education, advocacy and resources to help underserved students embrace a healthy lifestyle.

Distinguished Alumnus

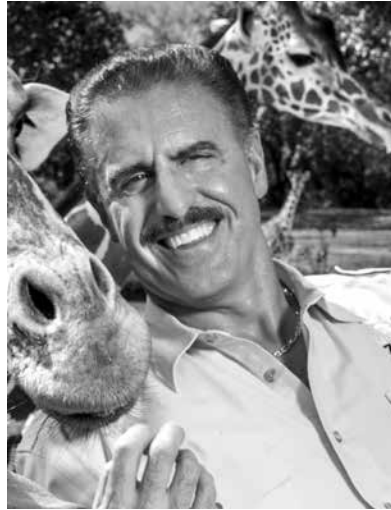

Ron Magill

Zoo Goodwill Ambassador

“Zoo man” Ron Magill’s contagious passion for conservation is rivaled only by his keen eye for photography, wide breadth of knowledge and superb storytelling ability. He grew up watching Jim Fowler on *Mutual of Omaha’s Wild Kingdom*, sparking an interest in wildlife conservation, despite the fact that he lived in New York City. At the age of 12, Magill’s family moved to South Florida and, as a teenager, he worked as a tour guide and curator at the Miami Serpentarium.

After graduating from Miami Palmetto High School, Magill was off to the University of Florida where he worked as a part-time research assistant, capturing and tracking alligators on Lake Alice. He earned an Associate of Arts degree in 1980, leaving a few credits short of a bachelor’s degree when his dream job came to fruition. Magill accepted a zookeeper position at what is now Zoo Miami. He has served the zoo in six capacities, working with reptiles, birds of prey, big cats, rhinos, zebras and more. Since 1989, Ron has served Zoo Miami as communications director and goodwill ambassador.

Magill entered the entertainment industry in the 1980s while serving as an animal handler for Miami Vice. He has appeared on numerous television and radio shows, including *Good Morning America*, *The Today Show*, *Dateline*, *CBS This Morning*, *NBC Nightly News*, and ESPN Radio’s *The Dan Le Batard Show*, and he serves as a wildlife expert for a variety of television networks. Magill won six Emmys

for his documentary work and made regular appearances on the iconic Spanish variety program “Sabado Gigante” for 25 years. Today, he stars in his own Spanish-language show, *Mundo Salvaje con Ron Magill*. In 2013, Magill was also selected as a Nikon Ambassador.

However, the work Magill is most proud of is much less glamorous. He developed and directed the Harpy Eagle Project in the Republic of Panama that has been recognized as a role model for international conservation education. Magill has raised nearly \$3 million for the Ron Magill Conservation Endowment, which provides a \$5,000 annual scholarship to a UF wildlife ecology and conservation graduate student and provides financial support for wildlife conservation, including the Harpy Eagle Project.

Distinguished Alumnus

Rodney Rogers

Co-founder and Lead Board Director, Beep

With more than 30 years in the technology services industry, Rodney Rogers is recognized as a successful serial entrepreneur and expert technologist, known for his leadership contributions in the realization of two back-to-back “unicorns” — startups that achieve billion-dollar valuations.

Rogers co-founded Virtustream in 2009, an enterprise cloud computing company, and was chairman and CEO prior to its acquisition by EMC Corporation (NYSE: EMC) in 2015 for \$1.2 billion. In that acquisition year, Virtustream and Rogers ranked 3rd on the Forbes’ list of “Best Cloud Computing Companies and Best CEOs To Work For.” In 2016, Dell Technologies acquired EMC for \$60+ billion in the largest acquisition in tech industry history. Rogers then led Virtustream onto becoming one of Dell Technologies’ seven-ingredient brands prior to his retirement in 2018.

Prior to Virtustream, Rogers was co-founder, chairman and CEO of Adjoined. From its inception in 2000 through its acquisition by Kanbay (NASDAQ: KBAY) in 2006, Adjoined was known as one of the fastest growing IT services companies in the United States. After the acquisition, Rogers became COO and SEC Section-16 Officer of Kanbay, a 7,000-person global IT Services firm. In 2007, Kanbay was acquired by Capgemini SE (CAP: EN Paris) for \$1.2 billion. Rogers started his career in 1988 at Anderson Consulting, known today as Accenture.

Rogers has been the recipient of numerous awards including being a three-time E&Y Entrepreneur of the Year finalist, an Intel Capital Entrepreneur/Exit of the Year winner, and an American Business Awards CEO winner. Today he is a founding partner of the Blue Lagoon Companies that develops and invests in disruptive technology start-ups and next-generation companies. Rogers currently serves as chairman of the boards for Lemongrass Ltd., and UnitedLex, Inc., as lead board director for Beep, Inc., and as a board director for Revenue Analytics, Inc. and Agrematch. Ltd. He is also co-founder of the the Blue Lagoon Foundation, a non-profit charitable organization.

Rogers holds a Bachelor of Science in Industrial and Systems Engineering from the University of Florida and serves on the advisory board of the UF’s Innovate Ventures Fund.

Distinguished Alumnus

Kenneth Treister

Fellow, American Institute of Architects

Kenneth Treister, a fellow in the American Institute of Architects (FAIA), has spent a lifetime designing buildings and creating art. In addition to being an internationally renowned architect and an AIA Fellow, he is an accomplished painter, sculptor, photographer, author and lecturer. Treister graduated from the UF College of Art and Architecture in 1953. He based his practice as an architect and developer in Miami, Florida, and he has worked around the globe, including multiple projects in Israel and the Caribbean. He is the sculptor and architect of Miami Beach's world-famous Holocaust Memorial.

In 1996, Treister was awarded the Silver Medal and The Lifetime Achievement Award from the American Institute of Architects, Miami. In 2013 he received the Gold Medal from the American Institute of Architects, Florida, and in 2018 he received the Lifetime Achievement Award from the Miami Center for Architecture & Design. Treister has lectured at universities in the United States, Chile, China, Israel, Indonesia, India, Malaysia, and Bali. He was an adjunct professor of architecture at the University of Miami and the University of Florida. Treister's art has been exhibited in galleries and fine art museums throughout the world.

Treister has been published in more than 50 professional journals. He has written 11 books on art and architecture: *Chinese Architecture, Urban Planning and Landscape Design* (1987); *A Sculpture of Love and Anguish* (1993);

Habaneros, The People of Havana (1997); *Chapel of Light, Jewish Ceremonial Art in the Sophie & Nathan Gumenick Chapel* (2000); *Cherubim & Palm Trees, The Judaic Art of Temple Emanu-El* (2003); *Havana Forever, A Pictorial and Cultural History of an Unforgettable City* (2009); *Maya Architecture, Temples in the Sky* (2013); *Easter Island's Silent Sentinels* (2013); *Bok Tower Gardens, America's Taj Mahal* (2013); *The Fusion of Architecture & Art; The Judaic Work of Kenneth Treister* (2015); and *Frank Lloyd Wright at the University of Florida* (2016).

The Smathers Libraries are the home for Kenneth Treister's architecture archives and also a number of his paintings, sculptures and other works of art, both in the Judaica Suite in the Smathers Library building and elsewhere in the Smathers Libraries.

Outstanding Student Leaders and Scholars

The selection committee for Outstanding Student Scholars considers grade point average, curriculum, academic awards, research project or honors thesis. The selection committee for Outstanding Student Leaders considers the quality and scope of leadership experience, special awards, recognition and recommendations of faculty, staff and students.

What Makes a University Great?

Some interesting facts about the University of Florida

Educational Excellence

UF is consistently ranked among the nation's top universities: No. 5 in U.S. News & World Report "Top Public Universities" (2022); No. 3 on the Forbes' list of Best Value Public Universities (2019); No. 6 in the New York Times list of universities that do the most to help low-income students (2015); No. 2 in Kiplinger's "Best Values in Public Colleges" (2017); No. 3 in the Milken Institute's Ranking of Best Universities for Technology Transfer.

Faculty

- UF has more than 5,800 faculty members with distinguished records in teaching, research and service, including 36 Eminent Scholar chairs and 51 faculty elections to the National Academy of Sciences, Engineering, the Institute of Medicine or the American Academy of Arts and Sciences.
- Awards include three Pulitzer Prizes, NASA's top award for research, the Smithsonian Institution's conservation award and a Fields medal.

Students

- Students admitted for the fall 2022 freshman class had an average 4.49 GPA, average SAT score of 1407, and an average ACT score of 32.
- The freshman retention rate of 97% is among the highest in the country.
- UF ranks 4th and 9th respectively in Latino and African American graduates who go on to receive doctorates in STEM fields. It is also ranked 1st in the nation in the number of African American female faculty in engineering.
- Sixty-seven percent of UF full-time freshmen graduate in four years, and 88% of UF freshmen graduate within six years.

Chain of Office

This custom-made ornament is worn with the president's regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion's centerpiece is a 1.3-carat diamond.

Academic Mace

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university's sesquicentennial celebration in 2003. The 70-inch staff features an alligator sitting atop a globe. The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university's chief marshal, who leads all academic processions, carries the mace.

the four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university's chief marshal, who leads all academic processions, carries the mace.

Diplomas

Diplomas will be mailed to the graduate's diploma mailing address in June of 2022.

Caps and Gowns, An Explanation

The academic regalia worn by graduating students and faculty in this era evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates, but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are blue violet; Audiology degrees have colonial blue edging; Business Administration and Accounting are drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Occupational Therapy is slate blue; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor's degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master's degree. A round, open sleeve identifies a doctoral degree.

The blue doctoral regalia also has velvet running on the rest of the gown, including crossbars on the sleeve. Colored tassels on the degree candidates' caps indicate a candidate's school or college.

UF

Alma Mater

*Florida, our Alma Mater
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise.
Where palm and pine are blowing,
Where southern seas are flowing,
Shine forth thy noble Gothic walls,
Thy lovely vine-clad halls.
Neath the Orange and Blue victorious
Our love shall never fail.
There's no other name so glorious—
All hail, Florida, Hail!*

Milton Yeats
