UF | UNIVERSITY of
FLORIDA

THIS IS NOT AN OFFICIAL GRADUATION LIST

While every effort is made to ensure accuracy in this commencement program, printing deadlines may result in omission of some names and use of names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's academic or degree status. The university's official registry for conferral of degrees is the student's permanent academic record as reflected on the student's transcript, maintained by the Office of the University Registrar.

Commencement
SPRING 2020

Greetings from the President

On behalf of the University of Florida, our faculty and our entire university community, I would like to extend my deepest congratulations to you, the Graduates of 2020.

I celebrate your remarkable accomplishment in earning a degree from one of the world's leading research institutions. I applaud you for the education you have received, for honing your creative, scientific, or analytical skills and for your achievements as students. I join you in thanking your professors, advisors and family and friends for their contributions to your success.

This is a time for celebration, but also for reflection on your future. I am confident that the knowledge and experience you gained as a UF student will serve you well regardless of your career or how you choose to invest your life.

The university has benefited from your active engagement and contributions to your classes, programs of study and your peers, and we are grateful for your time here. We hope you will recall these years fondly, and that you will remain connected to UF as active members of our distinguished alumni.

Good luck, best wishes, and always remember, It is Great to be a Florida Gator!

W. Kent Fuchs

University of Florida President

Dr. W. Kent Fuchs

Dr. Kent Fuchs became the 12th President of the University of Florida in January 2015. Building on many years of excellence and focused leadership, the university has reached its goal of joining the nation's top-ten public research universities.

Dr. Fuchs has set UF on a path to joining the top-five public research universities and becoming the nation's number one university for comprehensive excellence. UF is working toward those goals through the creation of 500 new faculty positions, the addition of advanced and beautiful university facilities and an ongoing \$3 billion fundraising campaign.

Previous to the UF presidency, Dr. Fuchs was provost of Cornell University. He has served in academic leadership positions and as a faculty member of electrical and computer engineering at Cornell, Purdue and the University of Illinois.

He is a fellow of the American Academy of Arts and Sciences, the American Association for the Advancement of Science, the Institute of Electrical and Electronics Engineers, and the Association for Computing Machinery, and has received numerous awards for teaching and research.

President Fuchs earned his doctorate in electrical and computer engineering from the University of Illinois, and a Master of Divinity from Trinity Evangelical Divinity School. He also holds a Bachelor of Science in Engineering from Duke University.

Dr. Fuchs is married to Linda Moskeland Fuchs, an art historian. The Fuchs family has three sons, a daughter, and three grandchildren.

Born on an Oklahoma farm in 1954, President Fuchs spent much of his youth in Alaska before moving to Miami, where he graduated from Miami Killian Senior High School.

2020 SPRING
COMMENCEMENT

Commencement Speaker

Thaddeus M. Bullard (a.k.a. Titus O’Neil)

Thaddeus M. Bullard, known to the world as WWE Superstar Titus O’Neil, is an accomplished athlete, philanthropist, entertainer and author — as well as a University of Florida alumnus and former Gator football player.

Mr. Bullard grew up in poverty after being born to a teenaged mother, the result of a rape. He went from being a troubled, underperforming young man to serving as a mentor, celebrity role model and children’s advocate and champion.

At UF, he played defensive end for the Gators, receiving three Goodwill Gator awards as well as University Presidential recognition. He was elected as UF Student Body Vice President and was a member of Florida Blue Key, UF’s student leadership and public service organization. He graduated from UF with his bachelor’s degree in sociology in 2000.

After moving on from the Gators to the NFL’s Jacksonville Jaguars, Bullard joined WWE as Titus O’Neil and became a fixture on programs like *Raw* and *Smackdown*. Today, he is equally well known for his extensive philanthropy with young people.

He has raised thousands for scholarships and millions for non-profit organizations such as the United Way, Susan G. Komen and the Special Olympics. Additionally, for the past nine years, his “Joy of Giving” holiday event has resulted in 15,000 gifts to underprivileged children and families in need in the greater Tampa area.

He is not only committed to succeeding personally but also to helping others succeed. The seed for this commitment was planted when he was a youth resident of the Florida Sheriffs Youth Ranches where many invested in him when, in his words, “they had nothing to gain in return.”

Bullard has continued to grow his support for various organizations, locally and globally by sharing his time, talent and treasure. He lacked a strong male role model in his home, a circumstance he has sought to remedy with his commitment to his own family and sons, TJ (15) and Titus (13).

Bullard is a proud member of Omega Psi Phi fraternity, the president of the Bullard Family Foundation and a member of Revealing Truth Ministries in Tampa, where he lives. His first book, “There’s No Such Thing as a Bad Kid: How I Went From Stereotype to Prototype,” was published in August 2019.

2020 SPRING
COMMENCEMENT

Outstanding Student Scholars and Leaders

The selection committee for Outstanding Student Scholars considers grade point average, curriculum, academic awards, research project or honors thesis. The selection committee for Outstanding Student Leaders considers the quality and scope of leadership activities, universitywide leadership, experience, special awards, recognition and recommendations of faculty, staff and students.

What Makes a University Great?

Some interesting facts about the University of Florida

Educational Excellence

UF is consistently ranked among the nation's top universities: No. 7 in U.S. News & World Report "Top Public Universities" (2020); No. 3 on the Forbes' list of Best Value Public Universities (2019); No. 6 in the New York Times list of universities that do the most to help low-income students (2015); No. 2 in Kiplinger's "Best Values in Public Colleges (2017); No. 3 in the Milken Institute's Ranking of Best Universities for Technology Transfer.

Faculty

- UF has more than 6,000 faculty members with distinguished records in teaching, research and service, including 36 Eminent Scholar chairs and 45 faculty elections to the National Academy of Sciences, Engineering, the National Academy of Medicine or the American Academy of Arts and Sciences.
- Awards include three Pulitzer Prizes, NASA's top award for research, the Smithsonian Institution's conservation award and a Fields medal.

Students

- Students admitted for the fall 2020 freshman class had an average 4.47 GPA, average SAT score of 1383, and an average ACT score of 31.
- The freshman retention rate of 97% is among the highest in the country.
- UF awards more professional degrees to African American, Hispanic and other minority students than any other public university in the Association of American Universities (2014-15).
- 68% of UF full-time freshmen graduate in four years (2012-13 cohort), and 90% of UF freshmen graduate within six years (2012-2013 cohort).

UF

**2020 SPRING
COMMENCEMENT**

Chain of Office

This custom-made ornament is worn with the president's regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion's centerpiece is a 1.3-carat diamond.

Academic Mace

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university's sesquicentennial celebration in 2003. The 70-inch staff features an alligator sitting atop a globe.

The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university's chief marshal, who leads all academic processions, carries the mace.

Diplomas

Diplomas will be mailed to the graduate's diploma mailing address in June 2020.

Caps and Gowns, An Explanation

The academic regalia worn by graduating students and faculty at today's commencement ceremonies evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates, but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are blue violet; Audiology degrees have colonial blue edging; Business Administration and Accounting are drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor's degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master's degree. A round, open sleeve identifies a doctoral degree.

The blue doctoral regalia also has velvet running on the rest of the gown, including crossbars on the sleeve. Colored tassels on the degree candidates' caps indicate a candidate's school or college.

UF

Alma Mater

*Florida, our Alma Mater
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise.
Where palm and pine are blowing,
Where southern seas are flowing,
Shine forth thy noble Gothic walls,
Thy lovely vine-clad halls.
Neath the Orange and Blue victorious
Our love shall never fail.
There's no other name so glorious—
All hail, Florida, Hail!*

Milton Yeats
