

COMMENCEMENT

UF

UF UNIVERSITY
FLORIDA

SOCIAL MEDIA

Whether you are a #UFGrad or you are here to celebrate a #UFGrad, we invite you to join the commencement conversation on social media. Select tweets will be featured on the video boards prior to and after the ceremony.

PHOTOGRAPHS

The university requests that all commencement guests remain in their seats while taking photographs; no guests are permitted in the graduates' seating area. Photographs of the graduates as they cross the stage are available through companies that have contracts with the university. Color photographs are available from University Photography, PO Box 2454, Tuscaloosa, AL 35403-2454, 205-391-9500.

COMMENCEMENT PROGRAM

Additional copies of this commencement program are available while supplies last at the UF Bookstore for a \$1 donation to the Machen Florida Opportunity Scholars program, which helps fund a UF education for low-income students who are first in their family to attend college. The commencement program can be ordered online with an additional charge for shipping and handling.

THIS IS NOT AN OFFICIAL GRADUATION LIST

While every effort is made to ensure accuracy in this commencement program, printing deadlines may result in omission of some names and use of names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's academic or degree status. The university's official registry for conferral of degrees is the student's permanent academic record as reflected on the student's transcript, maintained by the Office of the University Registrar.

HONOR DESIGNATIONS

Honors designations in this program are incomplete, tentative, may not properly represent a student's academic accomplishment and are subject to change. Final honors designation will be represented on the official diploma and on the transcript.

Commencement
SUMMER 2017

Greetings from the President

On behalf of the University of Florida and our administration, faculty and staff, I would like to extend my heartfelt congratulations to you, the Class of 2017, and to your family and friends.

Today's ceremony celebrates your considerable accomplishment in completing a degree program at one of the world's great universities. I share your pride and excitement, and I am confident that your degree – and the skills and experience you acquired while at this university – will serve you well in your careers and lives.

It has been a privilege to have you as a part of our community, and the university is better for your time here. I hope you remain connected to UF as active alumni and members of The Gator Nation.

Good luck, best wishes, and Go Gators!

W. Kent Fuchs

University of Florida President

Dr. W. Kent Fuchs

Dr. Kent Fuchs became the 12th president of the University of Florida in January 2015. Under President Fuchs' leadership, the university has developed shared goals for the decade ahead. UF's overarching aspiration is to be a premier comprehensive university that the state, nation and world look to for leadership.

President Fuchs came to UF from Cornell University, where he served as provost. He also served as dean of the Cornell College of Engineering. Before that, he was the head of the School of Electrical and Computer Engineering at Purdue University and a professor in the Department of Electrical and Computer Engineering and the Coordinated Science Laboratory at the University of Illinois. President Fuchs is a fellow of the American Academy of Arts and Sciences; the American Association for the Advancement of Science; the Institute of Electrical and Electronics Engineers and the Association for Computing Machinery. He earned his doctoral degree in electrical engineering from

the University of Illinois. He holds a master's degree in divinity from Trinity Evangelical Divinity School and a bachelor's degree from Duke University.

2017 SUMMER
COMMENCEMENT

Award to Outstanding Scholar

The Selection Committee for Outstanding Scholars considers grade point average, curriculum, academic awards, research projects or honors thesis.

Brie Rosenbloom

Two-Year Scholar

What is your proudest Gator moment?

Watching my sister graduate after a year of thesis research.

What is something every Gator should know?

There are so many opportunities to contribute to the school with your skills and interests. There are few other places like this, so make sure to take advantage of every event and opportunity.

What is your favorite Gator icon or tradition?

I love Gator Nights. My sister and I would go every Friday. It was a great break from studying, even if one of us did have to bring a laptop a few times to finish an essay.

Who are the Gators who inspire you?

The ones who make the most of their time here and have fun doing it.

What is the most important lesson you learned from a fellow Gator?

I learned from my sister, who was at UF finishing graduate school, that it is important to not focus on making your work perfect, but making it reflect yourself.

What was your most fulfilling UF role?

Working as an intern in the Laboratory of Southeastern Archaeology.

Which of your UF affiliations or activities nurtured you most?

The anthropology department always provided opportunities that interested and challenged me.

What will your legacy be?

I offered fresh perspectives that opened new conversations in some of my classes.

Why do you bleed orange and blue?

I bleed orange and blue because UF offers so many opportunities that allow students to discover what they can do.

Award to Outstanding Student Leader

The Selection Committee for Outstanding Graduating Student Leaders considers the quality and scope of leadership activities, universitywide leadership, experience, special awards, recognition and recommendations of faculty, staff and students.

Kevin Sardja

Outstanding Leader

What is your proudest Gator moment?

Being able to see students I've helped and developed — whether from Preview, CRC or just in passing — succeed. I take a lot of pride in being able to help people get from their point A to point B.

What is something every Gator should know?

Your time at the University of Florida is a journey, and it isn't easy. You'll fall, but getting up and moving forward is all part of the process. Enjoy every second of it.

What is your favorite Gator icon or tradition?

Standing with 80,000 Gators on game day and swaying back and forth at the end of the third quarter to "We are the Boys."

Who are the Gators who inspire you?

Dr. Heather White and the CRC staff and Mickey Howard and NSFP staff. These people believed in the way I interacted with students and grew as an individual. With Dr. White's guidance and Mickey's ability to help me think critically about things I was doing, I became wiser and matured as the leader I've always strived to be.

What is the most important lesson you learned from a fellow Gator?

Always make the best of every opportunity and experience that comes your way. Things never go the way you plan, and being flexible is all part of the process.

What was your most fulfilling UF role?

My time as director of career development in Student Government. I've had a lot of different experiences, especially in student development, but through this role I had the opportunity to create events and programs where I recognized gaps. Even today, these programs are used.

Which UF affiliations or activities nurtured you most?

Pi Lambda Phi fraternity and UF Preview staff. During these times in my undergraduate career, I learned so many important lessons. I've understood why serving a purpose greater than myself is so important and how being an advocate of your brand can impact you for years to come.

How will you pay it forward?

I will be moving to Atlanta after I graduate and hope to use my talents to build the Gator brand all over the country. I want to hire Gators and make sure every Gator, whether studying mechanical engineering or European history, has the same job placement.

What will your legacy be?

One that inspires people to rise above difficult challenges. I've always tried to lead by example and create an inclusive environment, and I hope people continue to do the same for everyone who comes after.

How do you bleed orange and blue?

By being an advocate for The Gator Nation every single day. I've fallen in love with this university, and I hope I can continue to bleed orange and blue nationwide.

What Makes a University Great?

Some interesting facts about the University of Florida

Educational Excellence

UF is consistently ranked among the nation's top universities: No. 14 in U.S. News & World Report "Top Public Universities" (2016); No. 3 on the Forbes' list of Best Value Public Universities (2017); No. 1 on Value Colleges' list of Top 50 Best Value Colleges (2016); and No. 1 on the Times Higher Education list of best public universities for employers to find new hires.

Faculty

- UF has nearly 5,000 faculty members with distinguished records in teaching, research and service, including 36 Eminent Scholar chairs and 45 faculty elections to the National Academy of Sciences, Engineering, the Institute of Medicine or the American Academy of Arts and Sciences.
- Awards include two Pulitzer Prizes, NASA's top award for research, and the Smithsonian Institution's conservation award.

Students

- Ninety-seven percent of incoming freshmen score above the national average (1500/21) on standardized exams. Students admitted for the fall 2017 freshman class had an average 4.4 GPA and an average SAT score of 1355.
- More than 1,285 International Baccalaureate students were enrolled in UF in March 2016. The freshman retention rate of 96 percent is among the highest in the country.
- UF awards more professional degrees to African American, Hispanic and other minority students than any other public university in the Association of American Universities (2014-15).
- Sixty-seven percent of UF full-time freshmen graduate in four years (2011-12 cohort), and 87 percent of UF freshmen graduate within six years (2009-10 cohort).
- Fifty-seven percent of UF graduates leave the university with no student-loan debt. For the remaining students, their average indebtedness is about \$21,603, as compared with the national average of over \$30,000 (2015-16).

UF

2017 SUMMER
COMMENCEMENT

CHAIN OF OFFICE

This custom-made ornament is worn with the president’s regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion’s centerpiece is a 1.3-carat diamond.

ACADEMIC MACE

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university’s sesquicentennial celebration in 2003. The 70-inch staff features an alligator sitting atop a globe. The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university’s chief marshal, who leads all academic processions, carries the mace.

UNIVERSITY OF FLORIDA TASSELS

Diplomas

Diplomas will be mailed to the graduate’s permanent home mailing address in September 2017.

Caps and Gowns, An Explanation

The academic regalia worn by graduating students and faculty at today's commencement ceremonies evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates, but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are blue violet; Audiology degrees have colonial blue edging; Business Administration and Accounting are drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor's degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master's degree. A round, open sleeve identifies a doctoral degree.

The doctoral regalia also has velvet running on the rest of the gown, including cross bars on the sleeve. Colored tassels on the degree candidates' caps indicate a candidate's school or college.

Alma Mater

*Florida, our Alma Mater
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise.
Where palm and pine are blowing,
Where southern seas are flowing,
Shine forth thy noble Gothic walls,
Thy lovely vine-clad halls.
Neath the Orange and Blue victorious
Our love shall never fail.
There's no other name so glorious-
All hail, Florida, Hail!*

Milton Yeats
